## MARK'S MUSINGS

John Chrysostom, the 4<sup>th</sup> century Archbishop of Constantinople (Istanbul, today), was known for his preaching, particularly his denunciation of the abuse of authority by both ecclesiastical and political leaders; and, was one of the most prolific authors in the early Christian Church, exceeded only by Augustine of Hippo (North Africa) in the quantity of his surviving writings.

Although most modern United Methodists are not nearly as familiar with St. John as our brothers and sisters from the Orthodox and Catholic Christian traditions are, he was well-known and revered by John Wesley. After reading his famous Paschal sermon, preached one Easter Sunday morning close to two thousand years ago, I think you'll see why:

*If anyone is devout and loves God, let him/her enjoy this fair and radiant triumphal feast! If anyone is a wise servant, let them rejoicing enter into the joy of their Lord. If any have labored long in fasting, let them now receive their recompense. If any have wrought from the first hour (pastor's note: John is referencing Matthew 20:1-16, one of Jesus' parables), let them today receive their just reward. If any have come at the third hour, let them with thankfulness keep the feast. If any have arrived at the sixth hour, let them have no misgivings; because they shall in no wise be deprived, therefore. If any have delayed until the ninth hour, let them draw near fearing nothing. And if any have tarried even until the eleventh hour, let them, also, be not alarmed at their tardiness.*

*For the Lord... will accept the last even as the first. God gives rest unto him who comes at the eleventh hour, even as unto her who has wrought from the first hour... Wherefore enter ye all into the joy of your Lord; receive your reward, both the first, and likewise the second. You rich and poor together, hold high festival! You sober and you heedless, honor the day! Rejoice today, both you who have fasted and you who have disregarded the fast. The table is full-laden; feast ye all sumptuously. The calf is fatted; let no one go hungry away... Let no one bewail their poverty, for the universal Kingdom has been revealed. Let no one weep for his iniquities, for pardon has shown forth from the grave. Let not one fear death, for the Savior's death has set us free. He that was held prisoner of it has annihilated it. Be descending into Hell, he made Hell captive. He embittered it when it tasted of His flesh... It was embittered, for it was abolished. It was embittered, for it was mocked. It was embittered, for it was slain. It was embittered, for it was overthrown. It was embittered, for it was fettered in chains. It took a body, and met God face to face. It took earth and encountered Heaven. It took that which was seen and fell upon the unseen.*

*O death, where is your sting? O Hell, where is your victory?*

and not one dead remains in the grave!*

May God bless your Easter with light, and life, and love... resurrected,

### **Green Mountain Family & Friends,**

**In light of current events related to COVID-19, and with the wise suggestion from Bishop Oliveto, we have decided to suspend worship services through the end of March. (Please see the Bishop's email below.). However, the church will be open on Sunday mornings for any individuals wishing to talk and/or pray. During this time of formal worship suspension, we encourage you to keep contact with us, letting us know of any concerns you may have around health or other life matters. Whether occupying a pew or apart due to circumstances, we are still one community. These are challenging times, but we will be present and willing to help with whatever needs will arise!**

**Blessing & Be well,  
The Staff of GMUMC**

### **Bishop Oliveto Recommends Suspension of Worship Services in Response to Coronavirus Outbreak**

**March 13, 2020**

To the laity and clergy of the Mountain Sky Conference of The United Methodist Church,  
In light of the current health crisis created by COVID-19 (Coronavirus), **I am recommending that all churches throughout our conference suspend all worship services and meetings through the end of March while we continue to monitor the transmission of this disease.** This recommendation is not made lightly but after reviewing current medical news as well as the state and federal declarations of emergency. I continue to encourage you to consult with local public health departments to stay current on the latest developments in your area.

Jesus says, "In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:16). Just because the lights are off in your sanctuary should not dim the light of your congregation's witness in your community. There are going to be many needs emerging as a result of this health crisis. While we must exercise social distancing to prevent the spread of the virus, we must not allow this to foster social isolation and break down our communities.

The elderly will be especially vulnerable and are being encouraged to stay home. How can members care for the elderly and homebound in your community, providing groceries and other necessities?

There are school age children whose schools have closed that will be in need of meals. How can you provide them with a regular meal?

Some workers will have their income severely cut. How can you insure they don't have to make the hard decision between buying food or paying the rent?

"Christ has no body now but yours. No hands, no feet on earth but yours. Yours are the eyes through which he looks compassion on this world. Yours are the feet with which he walks to do good. Yours are the hands through which he blesses all the world. Yours are the hands, yours are the feet, yours are the eyes, you are his body. Christ has no body now on earth but yours." – Teresa of Avila

The cabinet, conference staff and I are committed to supporting you through this time. Director of Communications Charmaine Robledo has been providing numerous **resources online**. We continue with **Digital Devotions Monday-Friday at 6:30 a.m.** as a way to remain spiritually together.

I invite you to a **Fireside Chat over Zoom this Monday evening, March 16, at 7 p.m.** This will be a time for us to pray together, share together, and ask questions and share best practices.

In the meantime, follow CDC guidelines:

#### **Take steps to protect yourself:**

- Clean your hands often.
- Wash your hands often with soap and water for at least 20 seconds .especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60 percent alcohol. Cover all surfaces of your hands and rub them together until they feel dry.
- Avoid touching your eyes, nose, and mouth with unwashed hands.

**Avoid close contact:**

- Avoid close contact with people who are sick.
- Put distance between yourself and other people if COVID-19 is spreading in your community. This is especially important for people who are at higher risk of getting very sick.

**Take steps to protect others:*****Stay home if you're sick***

- Stay home if you are sick, except to get medical care. Learn what to do if you are sick.

**Cover coughs and sneezes:**

- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.
- Throw used tissues in the trash.
- Immediately wash your hands with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60 percent alcohol.

**Wear a facemask if you are sick:**

- **If you are sick:** You should wear a facemask when you are around other people (e.g., sharing a room or vehicle) and before you enter a healthcare provider's office. If you are not able to wear a facemask (for example, because it causes trouble breathing), then you should do your best to cover your coughs and sneezes, and people who are caring for you should wear a facemask if they enter your room. Learn what to do if you are sick.
- **If you are NOT sick:** You do not need to wear a facemask unless you are caring for someone who is sick (and they are not able to wear a facemask). Facemasks may be in short supply and they should be saved for caregivers.

**Clean and disinfect:**

- Clean AND disinfect frequently touched surfaces daily. This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them: Use detergent or soap and water prior to disinfection.

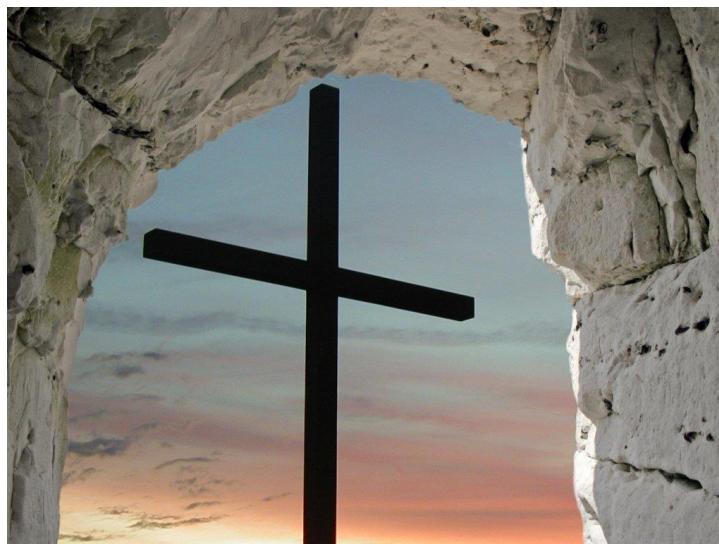

I am so grateful for your ministries. We are stronger together as we respond to this crisis. I pray that you will find moments to care for your body, mind and soul. May we all be guided by God's wisdom and compassion.

Blessings,

Bishop Karen Oliveto
