Mark's Musings

I thought I'd share a perspective from another pastor in another denomination concerning these curious and unprecedented post-COVID times in which the church now finds herself. Lillian Daniel serves as Conference Minister for the United Church of Christ in Michigan, and part of her job includes guest preaching in various congregations around the state. During the fellowship time that follows worship, she often meets people who inform her that this is their first time back to church, in-person, in a number of months, sometimes even years. But what brought them back was not so much the opportunity to hear the Conference Minister preach; rather, they were asked by the fellowship committee to bring some cookies!

"I do not believe people return to in-person worship in order to eat treats," Lillian admits, "but they may well return in order to deliver them. It's easier to receive a call asking you to bring brownies than it is to get one asking why you haven't been coming to church. The first call is an invitation while the second can sound like an act of desperation, or at worst, an accusation."

"People have complicated reasons for not going places in person, so who are we to judge? But if not attending has become the new norm, it can feel scary to return- 'Will people ask me where I've been? Will I have to defend myself? Will they ask me to join a committee?' It's much less threatening to imagine walking in the door to hear, 'Hey, thanks for bringing the brownies. They look delicious.'"

Thanks to those of you who have ever invited a friend/neighbor/colleague to church. And thanks to Lillian for coming at this from another interesting angle. I wonder what it would mean for our congregation if your future invitations also included an opportunity for the invitee to contribute? *"...like the helpers and hosts they may remember being,"* Lillian concludes, *"and may long to be again."*

ADULT EDUCATION

Join Rev. Debra on Sunday mornings this fall for some lively discussions about Methodism! Where did it come from? Who was this John Wesley dude? Learn about his mother, Susanna Wesley – who surely taught him everything he knew. We will also look at what Methodists believe. And what's the deal with the **Quadrilateral**? We will also look at the changes happening in the United Methodist Church and compare them with changes over the last couple of centuries. Is change healthy or deathly?

Bring your questions about the people called Methodists and we will attempt to figure out some answers. We meet Sunday mornings at 9:00 a.m. in the Fireside Room. Questions – contact Rev. Debra Juarez at Debra@gmumc.com or call 303-570-5180.

Debra is also looking at a midweek book study on women of the Old Testament. The book is **Widows and Warriors: Women's Stories from the Old Testament** by Dr. Rev. Lynn Japinga. We know so much about the patriarchs and prophets, about Moses and King David, but so little about the women in all these stories.

We are considering doing this as an evening class on Zoom which might make it easier for busy folks to be involved. I'd love to hear your thoughts on this idea so please email, text or call me with questions and ideas at Debra@gmumc.com or 303-570-5180 and tell me what you think.

GMUMC Online Directory

There are two ways to access the church online directory with pictures of members, their phone numbers, and emails. The church office will need to have put your information into the directory in order for you to open and use directory.

Here are the two methods.

1. Go to the church website, gmumc.com, and click on “directory” which is on the bottom bar of the home page. You may either download or open the directory. You will need the church password, so call the church office at 303-989-3727 to obtain the directory password.
2. Download the app on your smart phone or tablet: Instant Church Directory by Communication Resources (a yellow church icon). The app will ask for your email address (which must be in the directory), and then you can set a password. You can get the app on Google play, the Kindle store, or the Apple store.

VOLUNTEER RESPONDERS

There are many opportunities to be of service to others through our church activities. People are needed and invited to join the choir, to usher and greet on Sundays, help with pot lucks and receptions, help host the after church coffee hour.

Volunteers may be called to serve a meal to someone in need, to transport someone to a vital appointment or make phone calls to new people or shut ins. It is a great way to meet new people and help others.

If you would like to have more information about something that interests you, please get in touch with one of the following:

New Care Team Forming

As a community that cares for one another with our prayers on Sunday mornings, we'd like to be more organized in how we follow up with the people we lift up in prayer. Our thought is that members of this team would be in touch with folks to check on how they are doing, what they might need, meals, visits, rides to doctors' appointments and other needs.

The team might then coordinate with the pastors and others to help meet these needs. We are called to visit the sick and help the needy, but it's not always helpful if everyone visits someone who is recovering. On the other hand, if we all assume someone else is checking up on each other, people might fall through the cracks.

If you'd like to know more about this team or get involved, contact Rev. Debra at debra@gmumc.com or 303-570-5180 and help us get started.

Please Join Us in Ending Hunger

Quote From Josiah: *"When I was 4, I went to the Action Center with my grandma to deliver some food. I saw families standing in line to receive food. I realized not everyone has a full refrigerator and pantry of food like I do. This is when my passion for raising money and awareness for the C.R.O.P. Hunger Walk began. This will be my 11th year participating. In 2019, I asked my Boy Scout Troop to join me. My goal this year is to raise over \$2,000."*

25% will go to local food banks: Action Center, Community Table (Arvada). Love Inc. (Littleton) and Sheridan Food Bank. CWS helps people nationally in crisis such as California flood areas, Maui fire, and tropical storm on the west coast by providing food, personal hygiene kits, clean up kits and more. They service refugees and people around the world in need.

*I will be collecting money in person and online.
You can also join my team and walk around Clement Park Lake.*

News from the Cedar Hill Community Garden

The garden is part of Denver Urban Gardens (DUG) community gardens.

Note: the garden is always unlocked so feel free to visit at any time.

The vision: Feeding our community. *"I hope that time spent in the garden can grow not only sustainable food but a community from diverse people and foster a sense of place that brings peace."* Lori Osborn

Garden Plots. All of the plots are now full. Some may open in 2024 and if you would like to be put on the wait list contact co-garden leader **Ali Young** (mustang.ali@hotmail.com) to be added to the list.

Bees. Our bees did not survive the -20° weather this past winter and we are still assessing what to do this season. Ali and her bee keepers may reestablish the hives this Spring, but they're still deciding. If you would like to learn about bee keeping or help with the hives, contact Ali (mustang.ali@hotmail.com) for more information. You do not have to have a plot in the garden to work with Ali and her team of beekeepers.

What we need:

- **Mulching mower** – The mulching mower we borrowed worked great on the donated leaves. We would like to have one for the garden if there is someone out there with a mulching mower. We use them on the donated leaves and green weeds to create the browns and greens needed to make compost.
- **Garden tools** – **Thank you to all of you who have donated your garden tools!** *You know who you are.* As you work in your gardens, downsize or clean out your garages and sheds or simply upgrade your own tools – please think of the Garden and donate your used hand tools, rakes, shovels, wheelbarrows, etc. Any extra tools will be donated to DUG for other Community Gardens.
- **Bricks** – The brick fund raiser is still on going. **Jean Arnold** is not taking any more orders at this time but will resume taking orders in the Fall after the first of the bricks are installed. Our Eagle Scout is now planning to assist on brick installation – so stay tuned.
- **Donations for scholarship plots.** Two of the plots in the garden are scholarship plots. Thank you for your 2022 donations making these plots possible for gardeners in 2023. The cost to support a scholarship plot is \$50 / plot and we will accept donations for the 2024 scholarships. In the months ahead, I'll feature some of our gardeners and their stories.

Children's Department News

A BIG Thank You to Pastors Mark and Debra for Blessing backpacks/children as they begin a new school year. (August 20th church service). We had 13 blessings. Congratulations to the 4 children who received their Bibles. After church everyone enjoyed creating their own ice cream sundaes. Thank you to our wonderful families who provided toppings and helped serve ice cream.

Sept 3rd In conjunction with Pastor Mark's sermon "God's action seen in our service" the children will bring a non-perishable food item to church. We will be visiting Bobbie's Box to place our food items inside and discussing ways we can share GOD's love through our service. (Don't worry if you forget Kim will bring a few extras)

Sept 9th The Children's Department and UMWFAITH will be working together to sell bowls of Mac & Cheese, baked goods and bottled water to vendors and shoppers. Proceeds will go to help children locally. Please contact Kim to get more info on how your family can help us.

WANTED: Help building a large puppet theater for several children to reenact our favorite Bible stories. We have 16 inch puppets waiting to perform but we have no stage.

Do you have stickers stashed in a drawer without purpose or future use? We'd love to put them to good use in one of our many Craft projects.
